## TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

---

*To the Inhabitants of the Town of Newfields, in the County of Rockingham, in said State, qualified to vote in Town Affairs:*

You are hereby notified to meet at the Town Hall in said Newfields, on Tuesday, the fourteenth (14th) day of March next, at two o'clock in the afternoon until nine of the clock in the afternoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the ensuing year.
2. To raise such sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriations for the same.
3. To see if the Town will grant a discount of 2% on taxes paid in full thirty days after the taxes are committed to the collector.
4. To see if the voters will authorize the Selectmen and Town Treasurer to borrow a sum or sums not exceeding in the aggregate of \$50,000.00 in anticipation of the collection of taxes for the current municipal year and to issue in the name and on the credit of the Town negotiable notes therefore, said notes to be repaid during the current municipal year from Taxes collected within the current municipal year.
5. To see what action the Town will take relative to the authorization of the sale of real estate held or acquired by the Town on account of purchase at tax sale.

6. To see what action the Town will take toward the acceptance of reports of Town Officers, as printed in the Town Report.
7. To see if the Town will vote to authorize the Water Commissioners, with the approval of the Selectmen, to borrow money in anticipation of revenue.
8. To see what sum the Town will raise and appropriate during the current municipal year for the Capital Reserve Fund for the purpose of purchasing a new fire truck.
9. To see if the Town will vote to authorize the Selectmen to file in behalf of the Town an application under the provisions of P. L. 560, 83rd Congress for aid from the Federal Government to defray the cost of final plans and specifications to be prepared by Green Engineering Affiliates, Inc. for a sewerage system including lateral and interceptor sewers, pumping station and force main and treatment facilities.
10. On the petition of Donald Austin and 25 other voters to see if the Town will vote to accept as a public way a certain tract of land known as Dixon Avenue extension and being forty (40) feet wide and approximately 649.74 feet long, extending from the intersection of Nelson Drive to the farther sideline of premises now or formerly of Reginald Labrecque.
11. To see if the Town will vote to return the 1964 skating rink appropriation of \$200.00 to General Funds; raise and appropriate that sum for playground equipment and authorize the Selectmen to transfer \$200.00 to the School District.
12. To transact any other business that may legally come before this meeting.

(Business Meeting to be held at 8:00 p.m.)

Given under our hands and seal this twenty-fourth day of February in the year of our Lord, Nineteen Hundred and Sixty-Seven.

AUDITOR'S CERTIFICATE

February 23, 1967.

Board of Selectmen,  
Newfields, N. H.

Gentlemen :

In accordance with your request, I have audited the books and records of the Town of Newfields for the year 1966 and attach hereto my report. The report as presented, to the best of my knowledge and belief, presents the true standing of the Town's records as of December 31, 1966.

Yours very truly,

ARTHUR W. JOHNSON, C.P.A.,  
*Auditor.*

**SELECTMEN'S REPORT**

The State Tax Commission advises that the reappraisal of taxable property in Town will be completed in time for use in the 1967 assessment.

It became necessary to replace Cuba Road bridge in the spring. As this was unexpected, it was done as an emergency expenditure.

The Highway Agent resigned in November as he had obtained employment out of state. It has been necessary to care for the streets and roads by custom work pending election at the annual meeting.

We are in process of having a survey of the cemetery at Rockingham. The old markers for unsold lots have long since disappeared.

## FIRE DEPARTMENT

Our fire record for 1966 was very good up to October 7, when we lost a barn on Piscassic Road.

Without the assistance of the Interstate Emergency Unit Mutual Aid it would have been impossible to have saved the house.

We did not have any serious grass or brush fires.

We answered ten alarms, nine in town, one being a false alarm and one out of town call by Mutual Aid to assist the Stratham Fire Department.

We all owe a debt of gratitude to our men in the fire service who responded and fought these fires so efficiently and kept them from being a disaster.

Our fire trucks have a little age on them, but are in fine running order.

I wish that everybody would stop in sometime and visit our fine Fire Station. Our Meetings are held monthly on the first Wednesday evening of the month.

I also want to take this opportunity to thank the Auxiliary (the Fireflies) for their fine cooperation and assistance to the Fire Department.

Adequate fire protection is everybody's responsibility.

I want to thank you for your cooperation during the past year and with your fine cooperation continued, I am confident that we can improve our fire record in 1967.

Respectfully submitted,

ERNEST C. CHICK,  
*Fire Chief.*

SCHOOL WARRANT  
THE STATE OF NEW HAMPSHIRE

---

*To the Inhabitants of the School District in the Town of Newfields, New Hampshire, qualified to vote in district affairs:*

You are hereby notified to meet at the Newfields Town Hall, in said district, on the thirteenth (13th) day of March, 1967, at six o'clock in the afternoon, to act upon the following subjects:

(Business Meeting to be held at 8:00 p.m.)

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other officers or agents of the District.
6. To hear the reports of Agents, Auditors, Committees or Officers heretofore chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents and for the payment of the statutory obligations of the District, and to authorize the application against and appropriation of such

sums as are estimated to be received from the State Equalization Fund together with other income; the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by the Town.

9. To see if the School District will vote to accept any sum that the Town may appropriate for playground equipment and authorize the School Board to expend such a sum.
10. To transact any other business that may legally come before this meeting.

Given under our hands at said Newfields this 23rd day of February, 1967.

FRANCES P. BRIGHAM,  
WILLIAM C. TEBO,

## REPORT OF THE SCHOOL BOARD

---

The annual School District meeting was held at the Town Hall on March 7, 1966. District Officers elected for the following year were: George Phinney, Moderator; Mary B. Hallinan, Clerk; Frances Winkler, Treasurer; William C. Tebo, Member of the School Board for three years.

The Board elected Alfred Conner, Jr., as Chairman and William C. Tebo as Secretary.

In accordance with Article 9 of the 1966 School District warrant as adopted, it was voted to raise the sum of \$38,000, which with the \$2,000 previously voted and in the Trust Funds, would make \$40,000 to build and equip an addition of two rooms and auxiliary space for the Elementary School.

Under Article 10, the School Board was authorized by the School District to appoint a school building committee, and acting upon advice of said building committee to execute any and all contracts and agreements in connection with the construction.

Irving W. Hersey, Associates were chosen as architects. Work was begun in June under the supervision of Donald Sumner, by L & L Construction Co. The new addition was ready for occupancy in September and although all the equipment had not arrived it was possible, after many years, to move the Second Grade from the Library basement and have all grades in the same school.

Under Title I, with Federal Funds allotted to Newfields, additional library equipment, materials for remedial readers and a staff member, Mrs. James Rice, were made available. Mrs. Rice is trained to help improve the general study and reading skills of those who have reading difficulties.

Also under Title I, Newfields has shared with Exeter in the use of a trailer for consulting rooms and which

has been parked periodically in the school yard. With Mrs. Marjorie Reynolds as Nurse and Mr. Stanwood Fish as Guidance Councilor, pupils have been checked for physical defects and helped with emotional or study problems.

Under Title II, the Newfields students have been able to profit throughout the year from library books, visual aid materials and film strips brought to the school on a rotating basis.

Mrs. Norman F. Holder, the School Nurse, and Dr. John W. G. Tuthill have continued their excellent health supervision through the school year.

Improvements in the school building have been routine, with the exception of a boiler, which had to be replaced when the old one gave out and could not be repaired efficiently.

Three buses are still being used to transport children in town and to and from Exeter.

The P.T.A. has again promoted fine educational programs at its meetings for parents and teachers and helped the school children with its milk and soup programs. Through the cooperation of the Library Trustees, the P.T.A. opened a Thrift Shop in the former second grade rooms in the Library basement and are open from ten to four every Friday.

Mr. Raymond Hoyt and Mr. Frederick King, our nurses and guidance councilor deserve our appreciation for their help and advice during the past year. We also thank our capable teachers, our janitor and all the people who volunteer their time and efforts to make our school a better one for our children.

ALFRED CONNER, JR.,  
FRANCES P. BRIGHAM,  
WILLIAM C. TEBO,

Gentlemen:

In accordance with your request, I have audited the books and records of the Newfields School District for the year 1965-66. I enclose a summary of the cash book and a copy of the reconciliation of the bank statement.

I am indeed glad to report that I found the books in good condition.

Yours very truly,

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

*To the School Board of Newfields, New Hampshire:*

I am pleased to submit my nineteenth annual report as Superintendent of Schools. I express my sincere thanks to each member of the Newfields School Board, supervisors, teachers, members of the Parent-Teacher Association and citizens for their continued cooperation and support during the year.

The school year 1966-1967 opened with the following teaching staff:

Mrs. Betty Phinney, Principal, Grade 3  
Mrs. Pearl Marston, Grade 1  
Mrs. Carolyn Pulsifer, Music and Grade 2  
Mrs. Idolyn Crabtree, Grades 4 and 5  
Mrs. Lena Mead, Grades 5 and 6  
Mrs. Virginia Holder, Nurse  
Mrs. Virginia Chisholm, Art  
Miss Kathleen Caddigan, Handwriting  
Mrs. Sylvia Rice, Remedial Reading  
Mrs. Marjorie Reynolds, Health Services  
Stanwood Fish, Guidance Counselor

Mrs. Idolyn Crabtree replaced Mrs. Gladys Chick who retired as teacher of grades 4 and 5 after fourteen years of faithful and dedicated service in the Newfields school.

The schedule has been arranged so that Mrs. Pulsifer, who has a degree in music and has had experience as a teacher of elementary music, is teaching music as a part of her program this year.

Under Title I of the Elementary and Secondary Education Act of 1965, Newfields and Exeter have combined their allocations to provide three new services at the Newfields School. Mrs. Marjorie Reynolds offers health services beyond those of the regular school health program. These include a speech clinic for which a speech therapist spends one half day a week at the school; tongue thrust, hearing and eye evaluations, and neuro-

logical and psychological examinations for educationally deprived children.

Mrs. Sylvia Rice spends two days a week working with about twenty pupils in remedial reading classes. Mr. Stanwood Fish also is at the school two days a week having counseling conferences with students who are in need of them.

These services added to the curriculum give the Newfields School a well rounded program of studies from which many of the boys and girls are benefiting.

The citizens are to be congratulated for voting for the two room addition to the school. This should take care of the space needs for the foreseeable future. It also provides the necessary rooms so that all of the children can be housed in one building as well as providing space for a good school library. The basic equipment for the library was purchased from Title I funds last year.

The enrollment as of December 23 was as follows:

Grade 1	26	Grade 4	16
Grade 2	28	Grade 5	14
Grade 3	19	Grade 6	17

This is a total of 120 pupils as compared to 116 on a corresponding date a year ago.

The tuition rates for 1967-1968 as approved by the State Department of Education and announced by the Exeter School Board are:

Estimated Per Pupil Cost for 1966-1967

Senior High students	\$546.62
Rental Charge	28.38

---

\$575.00

Estimated Per Pupil Cost for 1966-1967

Junior High students	\$487.23
Rental Charge	46.77

---

\$534.00

These estimated per pupil costs compare with the state average per pupil costs of \$589 for high school and

\$518 for junior high school for 1966-1967 exclusive of rental charges.

The AREA School Plan for Brentwood, East Kingston, Exeter, Kensington, Newfields and Stratham for the pupils of Grades 7-12 went into effect on July 1, 1966. The first meeting of the AREA Advisory Committee was held in October and another meeting is scheduled for February.

The AREA Junior High School was voted by the Exeter School District in March, 1966, and construction of the \$1,425,000 building was started the last of August. There is every reason to believe that the building will be ready for occupancy in September, 1967.

Mr. Frederick King, Teacher Consultant for Supervisory Union #16 explains some of the work which he is doing in the area of curriculum as follows:

We are at the beginning of a new period in the teaching of social studies. The sophisticated ideas and methods of the social scientist are deemed accessible to the child from six to twelve years old — providing they are developed in words and situations that the child is able to handle on his own.

Last year a workshop for teachers was held in social studies education and an in-service course from the university was conducted in Exeter. Since then the State Department of Education has produced a guide called **NEW VIEWPOINTS IN SOCIAL STUDIES FOR NEW HAMPSHIRE SCHOOLS, K-12.**

In this Union this fall the formal study of our social studies program was begun. A curriculum study committee was established consisting of eight members from various towns in the Union with the teacher consultant as chairman. Each of the committee members in addition to representing our towns also was chosen so that each grade level was represented. Each member then acts as a chairman for her grade level when each grade holds a discussion.

In addition to this, an advisory committee consisting of the principals of each school in the Union, the teacher consultant and the head of the social studies department at Exeter High School will work closely with the gen-

eral committee to read, review and evaluate the material and progress.

Curriculum planning is a many-step process. One does not change a school program without a complete study of the existing program and the possibilities for the future. The present general committee is discussing a philosophy, determining objectives, selecting concepts to be taught, planning learning experiences, examining grade by grade content, looking at the total program sequence, selecting appropriate materials, finding ways to evaluate the program once it is underway, and in the end to have a written guide available for each teacher in social studies teaching for the schools of School Union #16. Each of these steps deserves lengthy consideration but space does not permit it.

We have a long way to go, and many hours will be spent in this task. We must search, however, for an education that prepares children to cope with a social world radically different from the one that exists at present. To this aim each teacher joins me in this important curriculum work. We are attempting each year to examine a different curriculum area so that we never remain static. Education is a "changing scene" and as our society changes so must our school program.

As you read these reports on the past school year, please remember that they are your story as much as they are ours. Without the cooperation of parents and the community as a whole, none of this would have been possible.

Respectfully submitted,

RAYMOND A. HOYT,  
*Superintendent,*  
Supervisory Union 16.

## SCHOOL HEALTH SERVICES

---

### *To the Superintendent of Schools:*

The School Health Service is designed to serve the physical and emotional needs of all children in the school system —collectively and individually; and to promote an awareness among parents of these needs and of available help through this department. The School Nurse offers leadership and guidance to the development and maintenance of the health program.

Our Health Services this year have not varied greatly from those offered during the 1965-66 school session as outlined in the previous year's report. The vision screening program was broadened by the inclusion of a clinic for the early detection of "Lazy-eye," which was held in conjunction with our pre-school clinic. As this met with excellent response we shall continue to include it as a part of our Health Service for pre-school children.

Classroom Physical Fitness exercises have been introduced and carried out on the primary and intermediate levels with the use of rhythm records.

Under Title I, provisions for guidance, speech and supplemental health services have been a source of enrichment to our total health program.

I wish to express my sincere appreciation to all individuals and organizations that have aided in making this a successful and productive year.

Respectfully submitted,

VIRGINIA D. HOLDER, R.N.

Newfields, New Hampshire,  
January 7, 1967.

SUPERVISORY UNION NO. 16 CLASS

---

*To the Superintendent of Schools:*

Union #16 Class has the state maximum number of 15 students — 9 boys and 6 girls — with a waiting list from all grade levels. We are attempting to fulfill the needs of the children whose requirements and lacks vary. The range this year is wide, extending from those who have no reading ability to those who are able to work effectively at the fifth and sixth grade levels.

Students, in many instances, are integrated in the regular grades in social studies, science, music and physical education. Many of these boys and girls will regain regular classroom status with some additional help. Volunteers would be greatly appreciated.

Field trips and Boy Scouts again enrich our program. Two Emerson School students are giving their Wednesday afternoons to help the boys.

The ever-increasing need for more resource classes and the wishes of parents to have their children receive help and tutoring indicate another class in the near future.

Respectfully submitted,

MARIAN R. WEBSTER.

Exeter, New Hampshire,

## REPORT OF THE MUSIC SUPERVISOR

---

### *To the Superintendent of Schools:*

It is difficult to sit down in January and try to sum up the accomplishments of only four months of a music program. When two and a half months of those first four months are taken up with holiday songs, generally note reading and part singing, rhythmic activity and folk and square dancing take a back seat. During this period we have sung a large number of songs and gotten our voices back into singing order. Now we must get down to some real work in note reading and music fundamentals.

The children in Grade 1 will be exposed to tone matching, ear training, rhythmic activities, singing games, and plenty of singing.

Grade 2 is starting syllable work and music fundamentals, and is learning syllables by note as a second verse. They will continue their listening program and folk and square dancing. They required a good number of songs sung just for fun so that they can find their singing voices.

Mrs. Phinney's Grade 3 is a fine singing grade and does a good job with note reading, as does Mrs. Crabtree's Grades 4 and 5. This will be the main emphasis in these grades so that they will get a lot of practice in music reading. Listening, folk and square dancing, and music fundamentals will all be included in their music programs.

New music books were purchased in October for Grade 3 and for Grades 5 and 6, as well as some albums of folk and square dancing.

An operetta, "Hansel and Gretel," is planned for presentation by the whole school in late spring.

This music program is possible through the special cooperation of Mrs. Marston, who takes over Grade 2 during the music periods.

Respectfully submitted,

CAROLYN PULSIFER.

## REPORT OF THE ART SUPERVISOR

---

*To the Superintendent of Schools:*

During the last year, the children of the Newfields Elementary School have had a varied program in art. We are fortunate to have a fine supply of art materials for the children to work with, so that each child can have the experience of working with different media.

When it is possible, the art work is correlated with their classroom studies. Mrs. Crabtree's fifth grade made a large model of Jamestown, using papier mache and balsa wood, for their social studies.

Mrs. Mead's room and Mrs. Phinney's room have made and painted clay dishes, correlating to their studies.

The younger grades have all done many interesting projects and have enjoyed learning to express ideas through art.

In closing, I wish to thank all the teachers for their valuable assistance.

Respectfully submitted,

VIRGINIA CHISHOLM.
